Final Notice: Important Reminder on Your Medicare and Medi-Cal

You are getting this **third and final letter** because you have **BOTH** Medicare and Medi-Cal. The way you get your health care is changing. You will keep the benefits and services you have now, but you will get them in a different way. In 30 days, you will be automatically enrolled in a new Cal MediConnect plan

<Plan Name>.

If you do not want to be enrolled in the plan selected for you, you **must** take action.

If you do not do anything, your coverage in Cal MediConnect

<Plan Name>

will become effective on 00/00/0000

What are my choices?

1. **Automatically enroll in the Cal MediConnect plan that we have chosen for you starting 00/0/0000.** To do this, you do not have to do anything. It will be automatic.
2. **If you do not want to be automatically enrolled** in the Cal MediConnect plan chosen for you, you **MUST** either contact Health Care Options at 1-844-580-7272 or fill out and return the Plan Choice Form by 00/00/0000 to choose from these options:
 - Option A: **Enroll in a different Cal MediConnect Plan.**
 - Option B: **Keep your Medicare the way it is AND enroll in a Medi-Cal plan.**

If eligible, enroll in the Program of All-Inclusive Care for the Elderly (PACE).

How does a Cal MediConnect plan help me?

Enrolling in a Cal MediConnect plan:

- Combines all of the Medicare or Medi-Cal benefits and services you receive now into a single plan.
- Will not cost more than what you pay today for your Medicare and Medi-Cal benefits.
- Ensures Cal MediConnect doctors, specialists, and other approved providers will work together to get you the care you need.
- Gives additional transportation to medical services and vision benefits.
