

## LOS ANGELES COUNTY LIVE SCAN LOCATIONS

Below is a location search where Live Scan fingerprinting services are available to the public in Los Angeles County. Applicants are encouraged to contact the Live Scan locations in advance to verify their current operating hours, fees, etc. Government fees are required for the State (DOJ) and Federal (FBI) level criminal history record checks. Additional fees may also be required (e.g., license or certification fees). For a list of current fee charges, please go to [Applicant Fingerprint Processing Fee](#).

Locations identified by BNR (Billing Number Required) provide live scan services only to applicants with agency billing numbers identified on their Live Scan forms. These sites collect rolling fees only—they do not collect any other fees.

Applicants must present valid photo identification to the Live Scan Operator. Expired identification cards will not be accepted.
