PASC's Mission

The Personal Assistance Services Council strives to improve In-Home Supportive Services, support independence, and enhance the quality of life for all who receive and provide IHSS.

What Is IHSS?

IHSS enables consumers (seniors, people with disabilities, including children) to hire someone to assist them with services which enable them to remain at home and in the community. For eligibility and information, call the Department of Public Social Services **888.944.4477**.

What Is PASC?

PASC is the IHSS public authority for Los Angeles County. PASC provides a Registry referral service to assist consumers with locating a provider, a Back-Up Program for consumers who have an urgent need for a temporary provider, offers free optional training for consumers and providers, community outreach and advocacy, administers a health plan for providers, and new provider criminal background inquiries and reviews.

Registry

PASC's Registry sends consumers a referral list of possible providers, and the consumer interviews and decides whether to form an employment relationship. All referred providers have passed a Criminal Background Investigation administered by the California Department of Justice. Call **877.565.4477**.

Registry Engagement Coordinators

PASC's Registry Engagement Coordinators are available upon request to assist consumers in the consumer/provider relationship, provide resources in their communities, and build networks of consumers, providers, and advocates to discuss current issues.

Back-Up Attendant Program (BUAP)

PASC's BUAP refers trained providers to consumers who need temporary assistance because their regular provider has an unplanned absence. Eligible consumers are those receiving at least 25 hours per week in personal care services. Call **877.287.6789**.

Outreach

PASC mentors offer free optional trainings and webinars and provide information and resources. Tele Forums offer up-to-date information on issues that affect seniors and persons with disabilities. Call **626.737.7524** or go to www.pascla.org and click on Calendar.
