We need new
Back-Up Providers!

Back-Up Attendant Program

Information Meetings on ZOOM

The Back-Up Attendant Program refers homecare providers to high-need IHSS Consumers when the Consumers' regular providers are unable to work due to an unexpected or unplanned event. Back-Up assignments typically last 1 to 3 days. The pay rate is currently \$19.00/hour.

We encourage eligible IHSS providers who are not working full time hours, and who have at least 1 of the following certificates, to join the Back-Up Program:

1. A Certified Nursing Assistant Certificate
2. A Home Health Aide Certificate
3. The Homecare Integration Training Certificate earned from the Center for Caregiver Advancement (formerly the Long Term-Care Education Center)
4. Homecare Training Certificate from a Community College
5. Other type of Nursing Certificate (i.e., LVN)

Learn more about PASC's Back-Up Attendant Program, and about the *New State Emergency Back-Up Program starting in October*. Participate in a 1-hour information meeting on ZOOM.

Upcoming Back-Up Program Information Meetings

Friday, August 12, 2022, from 3:00 to 4:00 pm—ENGLISH

Wednesday, August 17, 2022, from 3:00 to 4:00 pm---ENGLISH
