Los Angeles County currently has 2 types of Back-Up Programs:

1. **Back-Up Attendant Program (BUAP):** The BUAP provides short-term homecare assistance to eligible IHSS recipients when their regular homecare providers are unable to work due to an *unexpected* or *unplanned* event. **The pay rate is \$19.50/hour.**

Requirements for BUAP Provider Applicants

- Approved to do IHSS work and for PASC Registry, and reside in LA County
- Have a Home Health Aide, CNA, LVN, or Homecare Integration Certificate
- Participate in a 1-hour information meeting, working fewer than 66 hrs/week, and
- Submit BUAP application forms to PASC

2. **Back-Up Provider System (BUPS):** This is a new statewide program “that allows any eligible recipient to receive temporary IHSS or WPCS from a backup provider when the recipient has an urgent need for backup related to *personal care services*, which cannot be met by an existing provider, or the recipient is transitioning to home-based care and does not yet have an identified provider.” **The pay rate is \$18.50/hour.**

Requirements for BUPS Provider Applicants

- Approved to do IHSS work and for PASC Registry
- Reside in Los Angeles County
- Working fewer than 66 hours/week

To learn more about these programs, please sign up for a 1-hour information meeting [on Zoom](#).
