

**PERSONAL ASSISTANCE  
SERVICES COUNCIL**

Supporting and Enhancing Independence

Join us on Zoom from 1:00 PM – 4:00 PM to discuss issues and policies related to the senior and disability communities.

These meetings are open to the public and provide a forum for IHSS consumers and providers to have their voices heard.

All IHSS consumers and providers are invited to attend.

The agenda with instructions on how to join is posted on the front page of our website.
