## PASC OPEN HOUSE SUCCESS

Thank you to everyone who made the PASC Open House a huge success! We were honored to be joined by members of the Los Angeles County Board of Supervisors (BOS) who acknowledged PASC for our work in the community. As seen to the right.

The event featured 10 breakout sessions, with over 240 attendees participating in educational workshops and training. It was an inspiring day of learning, networking, and community connection!

## STAYING CONNECTED TO LOCAL RESOURCES

May is Older Americans Month, a time to celebrate the contributions of older adults and ensure they have access to the resources they need. We encourage you to stay connected with your local Independent Living Center (ILC) for information, advocacy, and support services tailored to individuals with disabilities and older adults.
